1. 5 - pg. 180)	MRS. KENNEDY:	"I was looking this way, to the left, and I heard these terrible noises. You know. And my husband never made any sound. So I turned to the right. And all I remember is seeing my husband, he had this sort of quizzical look on his face, and his hand was up, it must have been his left hand. And just as I turned and looked at him I could see a piece of his skull and I remember it was flesh colored. I remember thinking he looked as if he had a slight headache. I just remembered seeing that, no blood or anything.
(Vol. 7 - pg. 496)	WILLIS:	". . . when the first shot was fired her (Mrs. Kennedy's) head seemed to just snap in that (Pres. Kennedy's) direction "

(Vol. 7 - pg. 497)	LEIBELER:	" Now, you are certain that the first shot was fired at approximately the time or shortly at approximately the time you took the picture that has been marked Hudson Exhibit No. 1; is that right?"
	WILLIS:	" I am positive."

	LEIBELER:	"And you heard it just about the time you took the picture that has been marked?"
	WILLIS:	"That's right."
	LEIBELER:	"Prior to the time you took the picture?"
	WILLIS:	"Absolutely."
